About SSA Cheer

Sarasota Suncoast Academy Cheerleading is a SIDELINE CHEER team. We are NOT a competitive cheer team. Our job is to support the athletic programs at our school, promote school spirit and to be leaders amongst our peers on and off the field.

This is a school year commitment as we cheer for both basketball and flag football seasons. Practices run the entire school year (Fall-Spring). It is imperative that squad members attend **ALL** scheduled practices. Practices have previously been Tues/Thurs afternoons 3:30-4:30pm. Cheerleading is based on synchronization in our routines, cheers/chants and stunts. It is impossible to practice and improve our skills as a **team** when practice is missed. For this reason, if you know of a direct conflict with SSA cheer, please sort that out before considering trying out for cheer. If you play another sport that directly conflicts with cheer, we are asking you to choose and focus on the one you plan to pursue in high school.

Tryout Procedure

Students interested in trying out for cheer must attend the 3 tryout days – September 5-7. September 5-6 are practice days and candidates will officially try-out on Thursday, September 7th. Scoring takes place all week long.

Scoring as follows:

25% of total score come from the coach based on effort, attitude, attendance and ability.

25% comes from teacher recommendations/CARES reports from the classroom.

50% from outside judges the day of the tryout.

Scores are totaled and the squad is made up of those candidates who are above the natural break in scores.

The team roster will be posted on Friday, September 8th.

First practice is Tuesday, September 12th after school.
